(iii) As each intending voter enters the ante-room, his name and his number in the election roll shall be announced so that all present can hear them.

(iv) The Polling Officer shall dispose of any objections raised by candidates and their agents, and, when satisfied that the intending voter is entitled to vote and has not yet voted, shall initial the foil of a voting paper and, after taking the voter's signature or mark on the counterfoil, and endorsing the paper across the junction of foil and counterfoil with a seal, give the foil to the voter and admit him to the polling room.

(v) The voter, after making a cross in column 4 of the voting paper against the names of any candidates for whom he wishes to vote, shall return the paper folded up to the Polling Officer who shall forthwith in the voter's presence place it in the sealed box and pass the voter out of the polling room.

(vi) On the request of a voter who through blindness, illiteracy or any other cause is incapable of recording his vote for himself, the Polling Officer shall permit an attendant to take the voter into the polling booth and record his vote for him.

23. It shall be the duty of the Polling Officers and their assistants to see that votes are recorded with absolute secrecy; that only such persons as may be admitted to the polling booth under these rules are admitted thereto; and that persons who have recorded their votes or against whom objections have been heard and disposed of, leave immediately. It shall also be their duty to see that these rules and any special directions given by the Returning Officer thereunder are strictly observed in all respects.

24. On the conclusion of the poll, the Polling Officer shall seal up the aperture of the sealed box and forthwith deliver the box for safe custody to the Returning Officer or some one appointed by the said officer to take charge of it till the votes are counted. The Polling Officer shall seal up the book of counterfoils and unused foils and keep it sealed in his own custody till it is destroyed under rule 31.

Determination of Results of Elections.

25. The ballot box shall be opened and the votes counted at a special general meeting of the Municipal Council by three scrutineers appointed for this purpose at the meeting.

In the case of a new Municipality the box shall be opened in the presence of the Returning Officer by three scrutineers appointed by the Deputy Commissioner.

26. Any ballot paper on which votes are given to more candidates than there are councillors to be elected shall be invalid.

27. If there is an equal number of valid votes in favour of each of two or more candidates for one vacancy, the selection of one such candidate shall be made by lot by the Chairman of the aforesaid meeting, in such manner as the Municipal Council at such meeting shall determine or by the Returning Officer in the case of a new Municipality.

28. Whenever one and the same person gets the highest number of votes in more than one division he will be at liberty to determine for which division he should be returned and in default of his doing so within 48 hours after the declaration of the result of election, the Deputy Commissioner shall declare him to have been elected for one such division. In such cases the candidates who have got the next highest number of votes in the several remaining divisions will be taken to have been elected for those divisions. In the event of there being no such candidate in any such division, a fresh election shall be held for the same.

29. The result of the election shall be declared by the Chairman of the meeting or the Returning Officer as the case may be and shall be recorded in the minutes of the proceedings of the meeting.

Custody and Destruction of Voting Papers.

30. When the voting papers have been scrutinised, they shall forthwith be replaced in the ballot boxes from which they were taken and these boxes after being locked and sealed with the Municipal seal or in the case of a new Municipality with the seal of the Returning Officer, shall be kept by the President of the Municipal Council or in the case of a new Municipality by such officer as may be appointed by the Deputy Commissioner for this purpose, in safe custody.

31. On the expiry of fifteen days from the date of the declaration of the result of the election, or if any application regarding the election is made to the District Judge under Section 22 of the Regulation and such application is not finally disposed of before the expiry of the said fifteen days, then whenever such application has been finally disposed of, the voting papers including both those in the ballot box and those in the sealed book in the Polling Officer's custody shall be destroyed in the presence of such councillor or officer as the Municipal Council appoints for this purpose.

Report of Results of Elections.

32. The names of persons declared to have been elected under Rules 13 and 23 shall be communicated with the least practicable delay through the Deputy Commissioner for being notified in the *Mysore Gazette*.

Casual Vacancies.

33. On a vacancy occurring in the Municipal Council between two general elections, the Returning Officer shall fix a date as soon as conveniently may be for the holding of the election to fill the vacancy. The above rules shall apply, with such modifications as may be necessary, to such bye-elections.

Reference:—

Letter No. C3-4038—30-31, dated 5th October 1931, from the Deputy Commissioner, Bangalore District, recommending that the Jatra of Sri Someswaraswami at Magadi may be ordered to take place on "Rathasapthami" day every year instead of on "Magha Sudha-dwadasi" as at present by reason of the fact that the said Jatra and that the Sri Ranganathaswami at Mahimapur, Nelamangala Taluk, take place almost simultaneously in the month of February of each year, and that the Jatra at Mahimapur is attracting almost all the cattle in Magadi, Kunigal and Closepet Taluks which has caused a considerable diminution in the annual realisations in the shape of tolls on cattle and shop rent at the Magadi Jatra.
